ORDER

Issued: February 9, 2005

Released: February 11, 2005

Status conference previously set for April 12, 2005, is changed to **May 3, 2005**.¹

The purpose for the conference is to receive reports from counsel on the status of discovery, to iron out any differences, and to learn the progress of Gulf Power's ongoing pole survey.

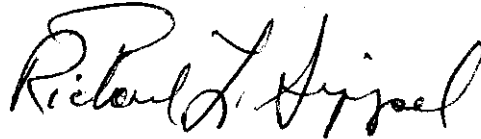

By **April 28, 2005**, counsel for Gulf Power and counsel for FCTA shall submit Status Report(s) on Discovery (preferably joint) to account for: (1) discovery completed; (2) discovery to be completed; (3) any discovery or evidentiary issues of concern to any party (5 page limit).

¹ See *Order* FCC 05M-03, released February 2, 2005. The Presiding Judge had overlooked a docket conflict with the April 12, 2005 date. Counsel for all parties have been advised of and concur in this change.

By **May 2, 2005**, Gulf Power shall file a brief Interim Report On Pole Survey,² identifying the consultant surveyor(s), describing procedures being used, and providing an estimated date for finalizing the survey, including final written report.³

SO ORDERED.
